The screenshot shows the homepage of the website. At the top, there's a navigation bar with links for About, Services, Membership, Foundations, News, Advocacy Resources, Employment, and Contact. Below the navigation is a banner with a background of tulips. The banner features the text "Make a difference in the lives of people with disabilities!" and a quote from Julius Erving: "Goals determine what you're going to be." Below the banner is a section titled "Programs and Services" featuring a grid of twelve images, each representing a different program: Bridges, Bright Beginnings, Children's Care Management, Clinical Services, HEROES, Community Arts, Community Prevocational Services, Day Habilitation, Dodge Pond, and two other unlabelled images.

The site was created and developed on Drupal 9 with a custom sub-theme of the Barrio Bootstrap 5 base theme, and updated to Drupal 10. More regions are added in the sub-theme to make the layouts more flexible. Lots of features: Responsive design, Google Analytics, Meta tags for improving SEO, drop-down main menu, full-screen wide slideshow, varied big front banners with fancy CSS styles, three columns or two columns promo blocks on the front, HTML Email Newsletters, calendar with different color for event catalogs, upcoming events, image gallery, spam-off contact form, voting web-forms, on-line flipbook, Facebook page plug-in, horizontal scroll bar, etc.

## About

The Arc Jefferson – St. Lawrence operates the public transportation for St. Lawrence County. Our fleet of nearly 20 vehicles travels over 1 million miles annually. Our buses are fully accessible, and anyone may ride.

## First Mile Last Mile

Need a way to get to a Public Transit bus? Get in touch with the folks at the "First Mile Last Mile" program. It is free and easy, so just call [315-386-2600](tel:315-386-2600) and someone will help make all the arrangements. Don't let the program's name fool you because this service picks up and drops off people who live over a mile from the Public Transit stop.

## Rates

- Obtain passes from any bus driver or at the Operations Center.
- Drivers cannot issue change. Exact fare is needed.
- Lost passes are NOT refundable, so keep them safe!
- Children under 3 ride for free.

The site was built on Drupal 8 with a custom sub-theme of Barrio Bootstrap 4 base theme, and updated to Drupal 9. The company logo and main menu are on the big top background. Different web pages have different titles but the same secondary menu on the different background images. The features include responsive design, Google analytics, Meta tags for improving SEO, HTML email newsletters, spam-off contact webform, Facebook page plug-in, Awesome Font icons, directly downloaded PDFs, etc.

**Fiscal Intermediary**

**Self-Direction**

Children and Adults who are eligible for OPWDD services and enrolled in the Home and Community Based Services Waiver may choose to self-direct their services.

Self-Direction assists people with intellectual or developmental disabilities and their families to choose and manage their own budgets and services:

- Offers people supported greater choice and control over the supports they receive
- Expands their options beyond traditional programs to include services:
  - Reimbursements for software, internet, or cell phones
  - Community classes or training
  - Gym memberships
  - Camps

Individuals in Self-Direction may choose:

- An agency to help them self-direct
- To manage their own budget and staff with help from a Fiscal Intermediary and Support Broker

**Fiscal Intermediary**

The Fiscal Intermediary provides a multitude of supports, including:

- Providing a compliant hiring process with requisite background checks, required training to staff, payroll and benefits (when applicable)
- Providing reimbursements based upon the individualized plan/budget

The Fiscal Intermediary is also responsible to collect and review all required paperwork and documentation to ensure compliance with Medicaid/OPWDD payments.

**Brokerage Services**

Support Brokers assist people with developmental disabilities who choose to self-direct their OPWDD services with Budget Authority to develop a service plan and manage a Self-Direction budget.

Self-Direction provides individuals direct responsibility in managing their supports and services. People who participate in Self-Direction may self-hire and manage their own staff supports and decide on the supports and services they need and how the funding allowed for these supports and services is allocated.

**Who Can Receive Services?**

To meet eligibility, the child must have two or more chronic conditions, such as but not limited to:

- Alcohol or substance abuse
- Autism condition
- Cardiovascular disease (ex: Diabetes)
- Respiratory disease (ex: Asthma)
- Eating disorders
- Cystic fibrosis

The following chronic conditions apply:

- HIV/AIDS
- Complex trauma
- SED (severe emotional disturbance)

For a complete list of conditions, visit <http://www.health.ny.gov>

If your child meets the eligibility criteria and is in need of care management services, they can be enrolled into the Health Home Program.

**What is a Health Home?**

A "Health Home" is not a place. It is a group of health care and service providers working together to make sure that the child gets the care and services they need to stay healthy – at the right time in the right amounts.

**What is the Health Home Goal?**

The goal of the Health Home is to make sure children with Medicaid who have complex physical and/or behavioral health conditions get access to the care and services they need in order to be healthy.

**Benefits of Home Health Care**

It's not surprising if you may feel overwhelmed or confused.

It is very difficult to navigate through the many types of services that may be available to your child.

Until now, you may have had extreme difficulty getting access to the services your child needs or you may have had a hard time getting appointments.

You may not know what to expect from service providers and may be hesitant to ask the questions you need to in order to better understand your child's condition.

If you've faced a crisis with your child or child's condition and have not had someone to call for assistance, you now have someone who is able to connect you to the proper services.
