More regions are added in the sub-theme to make the layouts more flexible. Lots of features: Responsive design, Google Analytics, Meta tags for improving SEO, drop-down main menu, full-screen wide slideshow, varied big front banners with fancy CSS styles, three columns or two columns promo blocks on the front, HTML Email Newsletters, calendar with different color for event catalogs, upcoming events, image gallery, spam-off contact form, voting web-forms, on-line flipbook, Facebook page plug-in, horizontal scroll bar, etc.

About

The Arc Jefferson – St. Lawrence operates the public transportation for St. Lawrence County. Our fleet of nearly 20 vehicles travels over 1 million miles annually. Our buses are fully accessible, and anyone may ride.

First Mile Last Mile

Need a way to get to a Public Transit bus? Get in touch with the folks at the "First Mile Last Mile" program. It is free and easy, so just call [315-386-2600](tel:315-386-2600) and someone will help make all the arrangements. Don't let the program's name fool you because this service picks up and drops off people who live over a mile from the Public Transit stop.

Rates

- Obtain passes from any bus driver or at the Operations Center.
- Drivers cannot issue change. Exact fare is needed.
- Lost passes are NOT refundable, so keep them safe!
- Children under 3 ride for free.

The site was built on Drupal 8 with a custom sub-theme of Barrio Bootstrap 4 base theme, and updated to Drupal 9. The company logo and main menu are on the big top background. Different web pages have different titles but the same secondary menu on the different background images. The features include responsive design, Google analytics, Meta tags for improving SEO, HTML email newsletters, spam-off contact webform, Facebook page plug-in, Awesome Font icons, directly downloaded PDFs, etc.
