A flyer for a Safety Poster Contest. It features a yellow and black geometric design with a central yellow hexagon containing the contest details. The top left corner has a logo for the St. Lawrence NYSARC Safety Committee. The top right corner contains text about drawing or painting. The title 'Safety Poster Contest' is in large yellow letters. Below it, a yellow box says 'Contest is open to all staff and participants'. Another yellow box says 'Design a poster on "SAFETY!"'. To the right, a large yellow hexagon says 'WIN PRIZES!'. Below that is an image of safety gear: a yellow hard hat, green ear defenders, safety glasses, and a yellow pencil. At the bottom left is a 3D white stick figure wearing an orange safety vest and hard hat, waving. The bottom right box contains information about submission: 'Submit your art work to: Tim Welpe St. Lawrence NYSARC (RLL) 6 Commerce Lane 315-379-9531'. The dates 'Starts: November 14, 2016' and 'Ends: December 30, 2016' are also listed.

### Community Arts Showcase

Saturday, May 11, 2019  
7:00 p.m.

Proscenium Theater  
SUNY Potsdam's  
Performing Arts Center

The actors will present Michael Hollinger's comedy, "Eureka! A Techno-Mystery." The dancers will perform modern dance pieces with classical influences celebrating divas!

An Art Mixer will take place from 5:00 p.m. to 7:00 p.m. in the lobby of the PAC Theater. The public is invited to view artwork created by nearly 40 artists with disabilities.

## MISSION

Provide lifelong opportunities that enhance the lives of people, so that they may achieve their hopes and aspirations.

## VISION

Be the premier provider of services for people with diverse needs through the continuum of life.

## VALUES

Person Centered  
We will provide unlimited opportunities and experiences to encourage individual growth and development in an environment that embraces choice, independence, and maximum potential.

Responsiveness  
We will adapt to new, different and changing needs of those that we serve by being flexible and receptive to change.

Involvement  
All persons will be involved in the community where they live, thereby enhancing their independence through work, belonging, and service to others.

Dignity  
All persons will be treated with dignity and their human rights will be respected in a nurturing, safe, and healthy environment.

Excellence  
We will continually challenge ourselves to improve both the quality of our organization and service delivery by pursuing excellence in standards, service, and technology.

### Self-Direction

Children and Adults who are eligible for OPWDD services and enrolled in the Home and Community Based Services Waiver may choose to self-direct their services.

Self-Direction assists people with intellectual or developmental disabilities and their families to choose and manage their own budgets and services:

- Offers people supported greater choice and control over the supports they receive
- Expands their options beyond traditional programs to include services:
  - Reimbursements for software, internet, or cell phones
  - Community classes or training
  - Gym memberships
  - Camps

Individuals in Self-Direction may choose:

- An agency to help them self-direct
- To manage their own budget and staff with help from a Fiscal Intermediary and Support Broker

### Fiscal Intermediary

The Fiscal Intermediary is also responsible to collect and review all required paperwork and documentation to ensure compliance with Medicaid/OPWDD payments.

### Brokerage Services

Support Brokers assist people with developmental disabilities who choose to self-direct their OPWDD services with Budget Authority to develop a service plan and manage a Self-Direction budget.

The following chronic conditions apply:

- HIV/AIDS
- Complex trauma
- SED (severe emotional disturbance)

For a complete list of conditions, visit <http://www.health.ny.gov>

If your child meets the eligibility criteria and is in need of care management services, they can be enrolled into the Health Home Program.

**Who Can Receive Services?**

To meet eligibility, the child must have two or more chronic conditions, such as but not limited to:

- Alcohol or substance abuse
- Medical condition (ex: Diabetes)
- Respiratory disease (ex: Asthma)
- Eating disorders
- Cystic fibrosis

The following chronic conditions apply:

- HIV/AIDS
- Complex trauma
- SED (severe emotional disturbance)

For a complete list of conditions, visit <http://www.health.ny.gov>

If your child meets the eligibility criteria and is in need of care management services, they can be enrolled into the Health Home Program.

**What is a Health Home?**

A "Health Home" is not a place. It is a group of health care and service providers working together to make sure that the child gets the care and services they need to stay healthy—at the right time in the right amounts.

**What is the Health Home Goal?**

The goal of the Health Home is to make sure children with Medicaid who have complex physical and/or behavioral health conditions get access to the care and services they need in order to be healthy.

**Benefits of Home Health Care**

It's not surprising if you may feel overwhelmed or confused.

It is very difficult to navigate through the many types of services that may be available to your child.

Until now, you may have had extreme difficulty getting access to the services your child needs or you may have had a hard time getting appointments.

You may not know what to expect from service providers and may be hesitant to ask the questions you need to in order to better understand your child's condition.

If you've faced a crisis with your child or child's condition and have not had someone to call for assistance, you now have someone who is able to connect you to the proper services.

The screenshot shows the homepage of the 1 World Foundation website. At the top left is the logo "1 WORLD FOUNDATION" with the tagline "A GLOBAL INITIATIVE TO SUPPORT THE DISABLED". The top right features a search bar, a "Make Donation" button, and a navigation menu with links to "About", "Services", "Administrative", "Can-Am Exchanges", "Members", "News", and "Contact". A large banner image at the top right shows a group of people outdoors, with a "HELP AND DONATE" button and the text "Helping People with Disabilities Across Borders". Below the banner, a green button says "Donate Now". The main content area has a large image of a playground structure. To the left of the playground is a photo of a man wearing a mask. A callout box over the playground image contains the text "Helping People Across Borders" and a paragraph about the foundation's mission to provide services across borders. To the right, under the heading "OUR SERVICES", is a section titled "How We Help People" with a photo of a child. Below this are three smaller photos with captions: "About Us" (two women with a child), "Services" (a woman with a child), and "News" (a woman interacting with a child). The footer of the page is blue.

The site is coming soon! It was created and developed on Drupal 10 with a custom sub-theme of the Barrio Bootstrap 5 base theme. More regions are added to the sub-theme to make the layouts more flexible. It has many features: responsive design, fullscreen Slideshow, beautiful and multi-style layouts on the home page, page titles on different background images, paragraph and event titles in a circle, HTML Email Newsletters, calendar with varying colors for event catalogs, spam-off contact form, drop-down main menu, etc.

The screenshot shows the homepage of the First Presbyterian Church on the Park website. At the top, there is a navigation bar with links for "Who We Are", "Worship", "Kids", "Newsletter", "Staff", "Calendar", "Contact", "Photo Albums", and "Links". A "Support the Church" button is also present. The main banner features a large image of the church building with a green overlay containing a video player showing a live stream of a worship service. Below the banner, there are two sections: "Welcome Home" and "Our Mission", each with its own text and image. The "Welcome Home" section includes a video player for a different worship service. The "Our Mission" section includes a video player for a sermon. At the bottom, there is a "Site Menu" with links to various church programs and services, and social media icons for Facebook, YouTube, and RSS.

**Welcome Home**

A hearty welcome to you from all of us at the First Presbyterian Church on the Park in Canton, New York. We are a growing church with a proud past and a promising future, and we invite you to come and explore what God is up to here on the Park.

**Our Mission**

The Mission of the 1st Presbyterian Church of Canton is to reach out to all people and welcome them in celebrating truly the joys, freedoms, and responsibilities that come with our faith in God, Christ's unconditional love for us, and the power of the Holy Spirit to transform our world. Through this nurturing Christian Community we will fully recognize the value of each believer, humbly forgive ourselves and others, and lovingly embrace God's Grace.

Home Acupuncture Medical Massage Pilates Payments About Testimonials Contact

Natural medicine refers to a broad range of healing practices that are based on natural methods and substances. It encompasses various therapies and treatments that aim to promote health, prevent illness, and facilitate the body's natural healing processes.

As integrative parts of traditional Chinese medicine (TCM), acupuncture, medical massage (Tui Na), and pilates are three natural medicine that have long been deemed effective in treating patients with muscle and soft tissue related pains. Given the ongoing opioid crisis in the United States, more and more health plans are covering these services. For instance, Medicare started covering acupuncture for low back pain in 2020 after extensive review of its treatment effect.

[Acupuncture](#) has been used to address a wide range of health conditions and is often sought for pain management, such as chronic pain, headaches, and musculoskeletal disorders. It is also used for various other health concerns, including stress reduction, digestive disorders, fertility support, respiratory issues, and emotional well-being.

[Medical massage](#) is effective in managing muscle pain, and it is different from SPA massage in targeting specific muscle issues. Medical massage (Tui Na) has been used for illness management and maintaining well-being for a long time.

[Pilates](#) focuses on precise movements, controlled breathing, and muscle engagement to improve posture, strength, flexibility, and body awareness.

[Our clinic](#) specializes in modern acupuncture and medical massage. We take pride in our service, and you can find out why from our [clients' testimonials](#). If you or anyone you know need help in pain management, please feel free to [contact us](#).
