It includes a "Welcome home!" message, a "Support The Church" button, and a "Summer Worship" callout. To the right, there's information about the church's location (17 Park St., Canton, NY 13617), phone number (315) 386-2570, and email (office@churchonthepark.org). It also mentions service times (Sunday 10:00 a.m., In-Person and Live-Stream, Zoom Fellowship 11:30 a.m.) and encourages people to "Come join us!". On the left, a sidebar titled "Site Menu" lists various church services and resources. About

The Arc Jefferson – St. Lawrence operates the public transportation for St. Lawrence County. Our fleet of nearly 20 vehicles travels over 1 million miles annually. Our buses are fully accessible, and anyone may ride.

First Mile Last Mile

Need a way to get to a Public Transit bus? Get in touch with the folks at the "First Mile Last Mile" program. It is free and easy, so just call [315-386-2600](tel:315-386-2600) and someone will help make all the arrangements. Don't let the program's name fool you because this service picks up and drops off people who live over a mile from the Public Transit stop.

Rates

- Obtain passes from any bus driver or at the Operations Center.
- Drivers cannot issue change. Exact fare is needed.

The site is built with Drupal 9 and a custom sub-theme of Barrio Bootstrap 4 base theme. The company logo and main menu are on the big top background. Different web-pages have different titles, but same secondary menu on the different background images. The features include responsive design, Google analytics, Meta tags for improving SEO, HTML email newsletters, spam-off contact webform, Facebook page plug-in, Awesome Font icons, downloaded PDF directly, and etc.

The Arc Jefferson - St. Lawrence's manufacturing and 1800 SF warehousing facility, JSLC Enterprises, is located at 968 Bradley Street, Exit 47 off Interstate 81. This location serves Watertown and surrounding communities in the U.S. and Canada. JSLC Enterprises also operates a warehouse and manufacturing facility in Ogdensburg, NY. Both manufacturing facilities are unique for their efforts to diversify and provide a wide range of employment opportunities for workers with and without disabilities in Northern New York. The Arc Jefferson - St. Lawrence also owns and operates two UPS Stores located in the Watertown area. JSLC Enterprises partners with The UPS Store to provide product shipping and fulfillment services.

Who Can Receive Services?

To meet eligibility, the child must have two or more chronic conditions, such as but not limited to:

- Mental health abuse
- Mental health condition
- Cardiovascular disease (ex: Diabetes)
- Respiratory disease (ex: Asthma)
- Eating disorders
- Cystic fibrosis

The following chronic conditions apply:

- HIV/AIDS
- Complex trauma
- SED (Severe emotional disturbance)

For a complete list of conditions, visit <http://www.health.ny.gov>

If your child meets the eligibility criteria and is in need of care management services, they can be enrolled into the Health Home Program.

What is a Health Home?

A "Health Home" is not a place. It is a group of health care and service providers working together to make sure that the child gets the care and services they need to stay healthy—at the right time in the right amounts.

What is the Health Home Goal?

The goal of the Health Home is to make sure children with Medicaid who have complex physical and/or behavioral health conditions get access to the care and services they need in order to be healthy.

The Health Home partners with other children's service agencies that provide Care Management to enrolled children.

A dedicated Care Manager is assigned to the child and is responsible for coordinating all of their health services.

The Care Manager can help the child and family understand their chronic condition, manage their symptoms and ensure all treatment partners remain involved with the child's care.

Benefits of Home Health Care

It's not surprising if you may feel overwhelmed or confused.

It is very difficult to navigate through the many types of services that may be available to your child.

Until now, you may have had extreme difficulty getting access to the services your child needs or you may have had a hard time getting appointments.

You may not know what to expect from service providers and may be hesitant to ask the questions you need to in order to better understand your child's condition.

If you've faced a crisis with your child or child's condition and have not had someone to call for assistance, you now have someone who is able to connect you to the proper services.

Health Home Care Management can Help!
