Bridges provides site-based and community-based services that target skill development and allow age appropriate advancement based on each person's needs and individual goals.

Bridges enhances independent living and social skills using real-life experiences. As young people grow towards adulthood, supports are geared towards enhanced self-reliance in both home and community settings.

Fun & Learning

About Bridges

The mission of Bridges is to provide services and supports to children and youth with developmental disabilities starting at age three through the various stages of youth until transitioning into adulthood.

ROAD TRIP
Main Street

Applied Behavior Analysts:

Bridges offers Behavior Consultation with licensed Board-Certified Behavior Analyst.

Transportation:

Provided by the agency.

Front Door:

The first step to get connected to Bridges is to contact your local Front Door Regional Office. The Front Door is the way OPWDD connects you to the services you want and need. You will be asked information and once determined if you are eligible you can begin the planning process. All participants must be Medicaid eligible and have gone through the OPWDD Front Door.

Working Together So Children Receive the Right Services

Central New York Health Home Network has partnered with hospitals, physicians, local government agencies and other community providers of the North Country region to improve the health of the community and the care available for the children in Jefferson, Lewis, and St. Lawrence Counties.

Through this Partnership the CNYHHN Can Help

Get the information and confidence to be an informed partner in making decisions to improve your child's health.

Understand the options available for care so you can choose wisely.

Provide resources and education to help a child get healthy and stay healthy.

Children's Care Management

Where Care Comes Together

Now offering comprehensive Children's Care Management to NYS Medicaid Recipients in Jefferson, Lewis, and St. Lawrence Counties.

www.thearcjslc.org

Who Can Receive Services?

To meet eligibility, the child must have two or more chronic conditions, such as but not limited to:

- Alcohol or substance abuse
- Mental health condition
- Cardiovascular disease (ex: Diabetes)
- Respiratory disease (ex: Asthma)
- Eating disorders
- Cystic fibrosis

The following chronic conditions apply:

- HIV/AIDS
- Complex trauma
- SED (severe emotional disturbance)

For a complete list of conditions, visit *http://www.health.ny.gov*

If your child meets the eligibility criteria and is in need of care management services, they can be enrolled into the Health Home Program.

What is a Health Home?

A "Health Home" is not a place. It is a group of health care and service providers working together to make sure that the child gets the care and services they need to stay healthy – at the right time in the right amounts.

What is the Health Home Goal?

The goal of the Health Home is to make sure children with Medicaid who have complex physical and/or behavioral health conditions get access to the care and services they need in order to be healthy.

The Health Home partners with other children's service agencies that provide Care Management to enrolled children.

A dedicated Care Manager is assigned to the child and is responsible for coordinating all of their health services.

The Care Manager can help the child and family understand their chronic condition, manage their symptoms and ensure all treatment partners remain involved with the child's care.

Benefits of Home Health Care

It's not surprising if you may feel overwhelmed or confused.

It is very difficult to navigate through the many types of services that may be available to your child.

Until now, you may have had extreme difficulty getting access to the services your child needs or you may have had a hard time getting appointments.

You may not know what to expect from services providers and may be hesitant to ask the questions you need to in order to better understand your child's condition.

If you've faced a crisis with your child or child's condition and have not had someone to call for assistance, you now have someone who is able to connect you to the proper services.

Health Home Care Management can Help!

About Public Transit

CMS Website

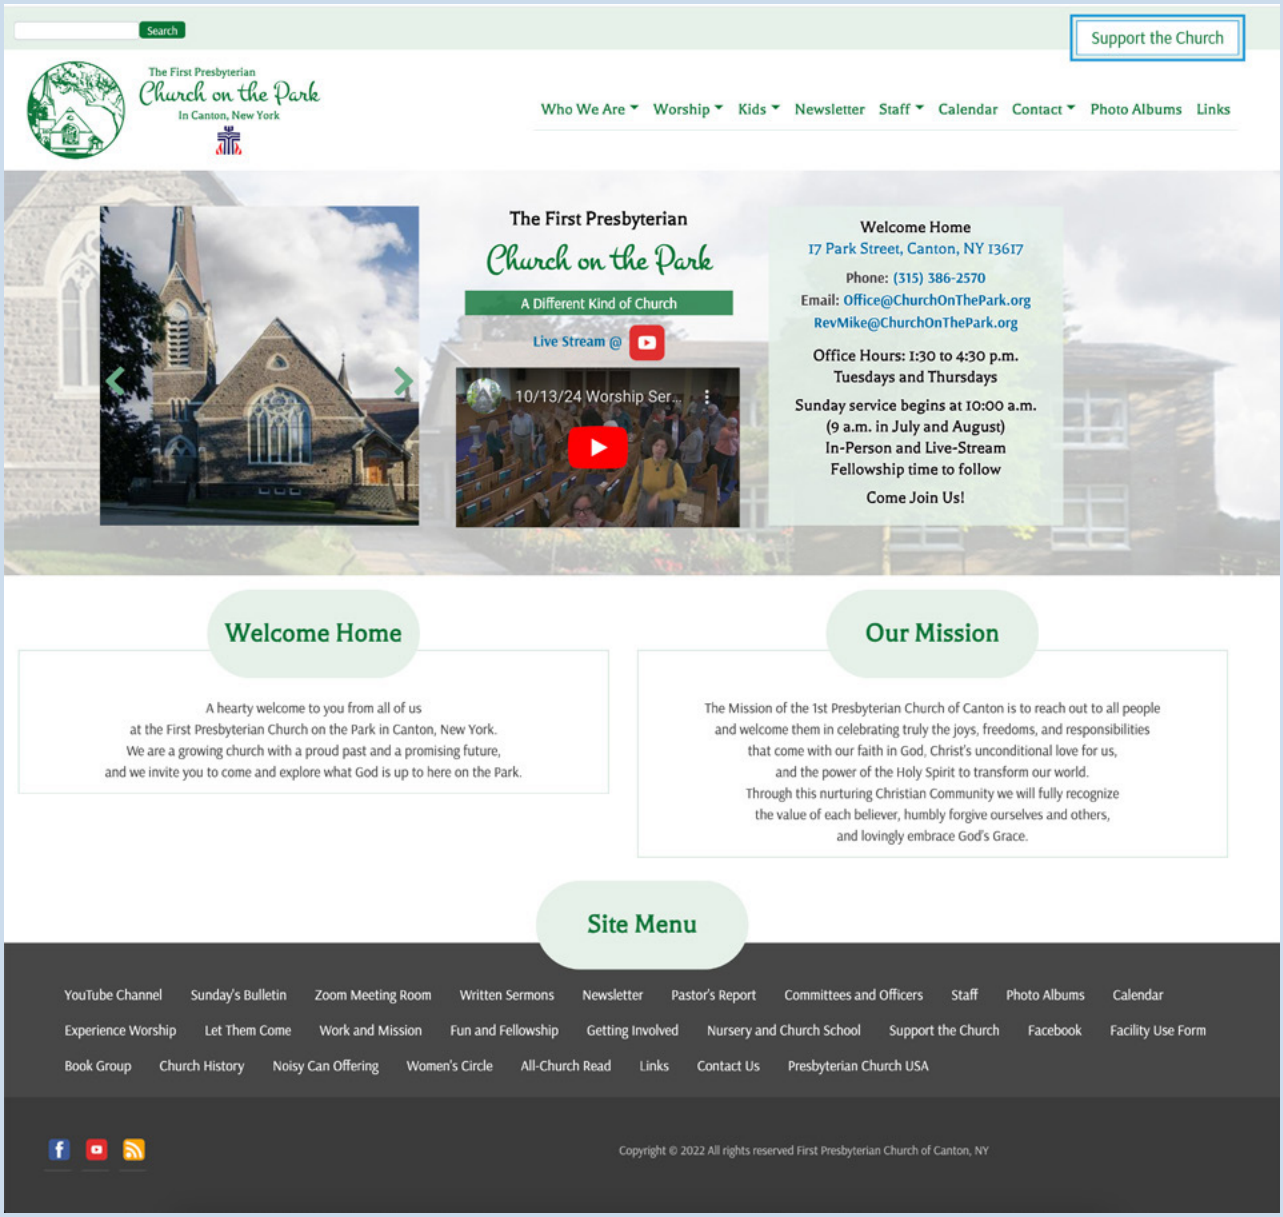

Live link: www.thearcjslc.org/newsite/oneworld/web

The site is coming soon! It was created and developed on Drupal 10 with a custom sub-theme of the Barrio Bootstrap 5 base theme. More regions are added to the sub-theme to make the layouts more flexible. It has many features: responsive design, fullscreen Slideshow, beautiful and multi-style layouts on the home page, page titles on different background images, paragraph and event titles in a circle, HTML Email Newsletters, calendar with varying colors for event catalogs, spam-off contact form, drop-down main menu, etc.

CMS Website

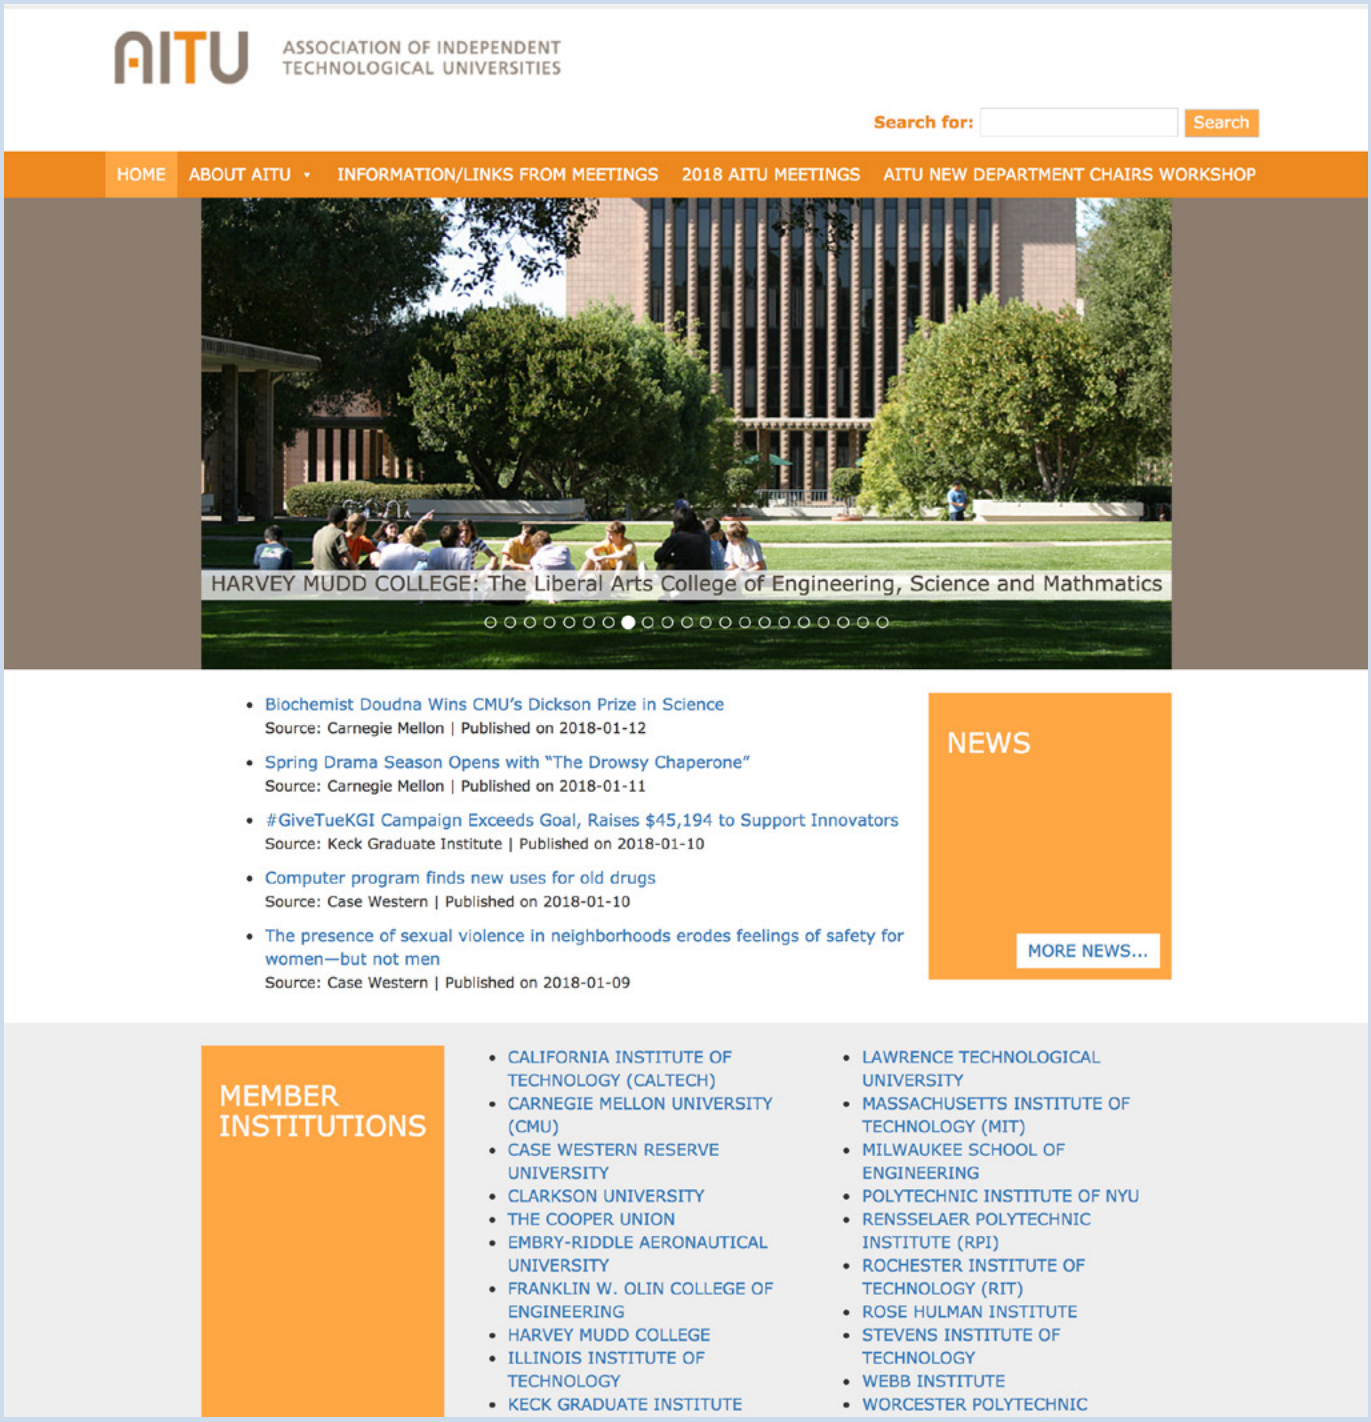

Live link: www.churchonthepark.org

The site is created and developed on Drupal 9 with a custom sub-theme of the Barrio Bootstrap 5 base theme. More regions are added to the sub-theme to make the layouts more flexible. It has lots of features: responsive design, custom-size slideshow, Youtube channel feed, iCloud calendar Integration, image galleries with big images displayed in an overlay above the current page, count-down event, multi blocks on one big banner, spam-off contact form, drop-down main menu, etc.

CMS Website

Live link: *https://theaitu.com*

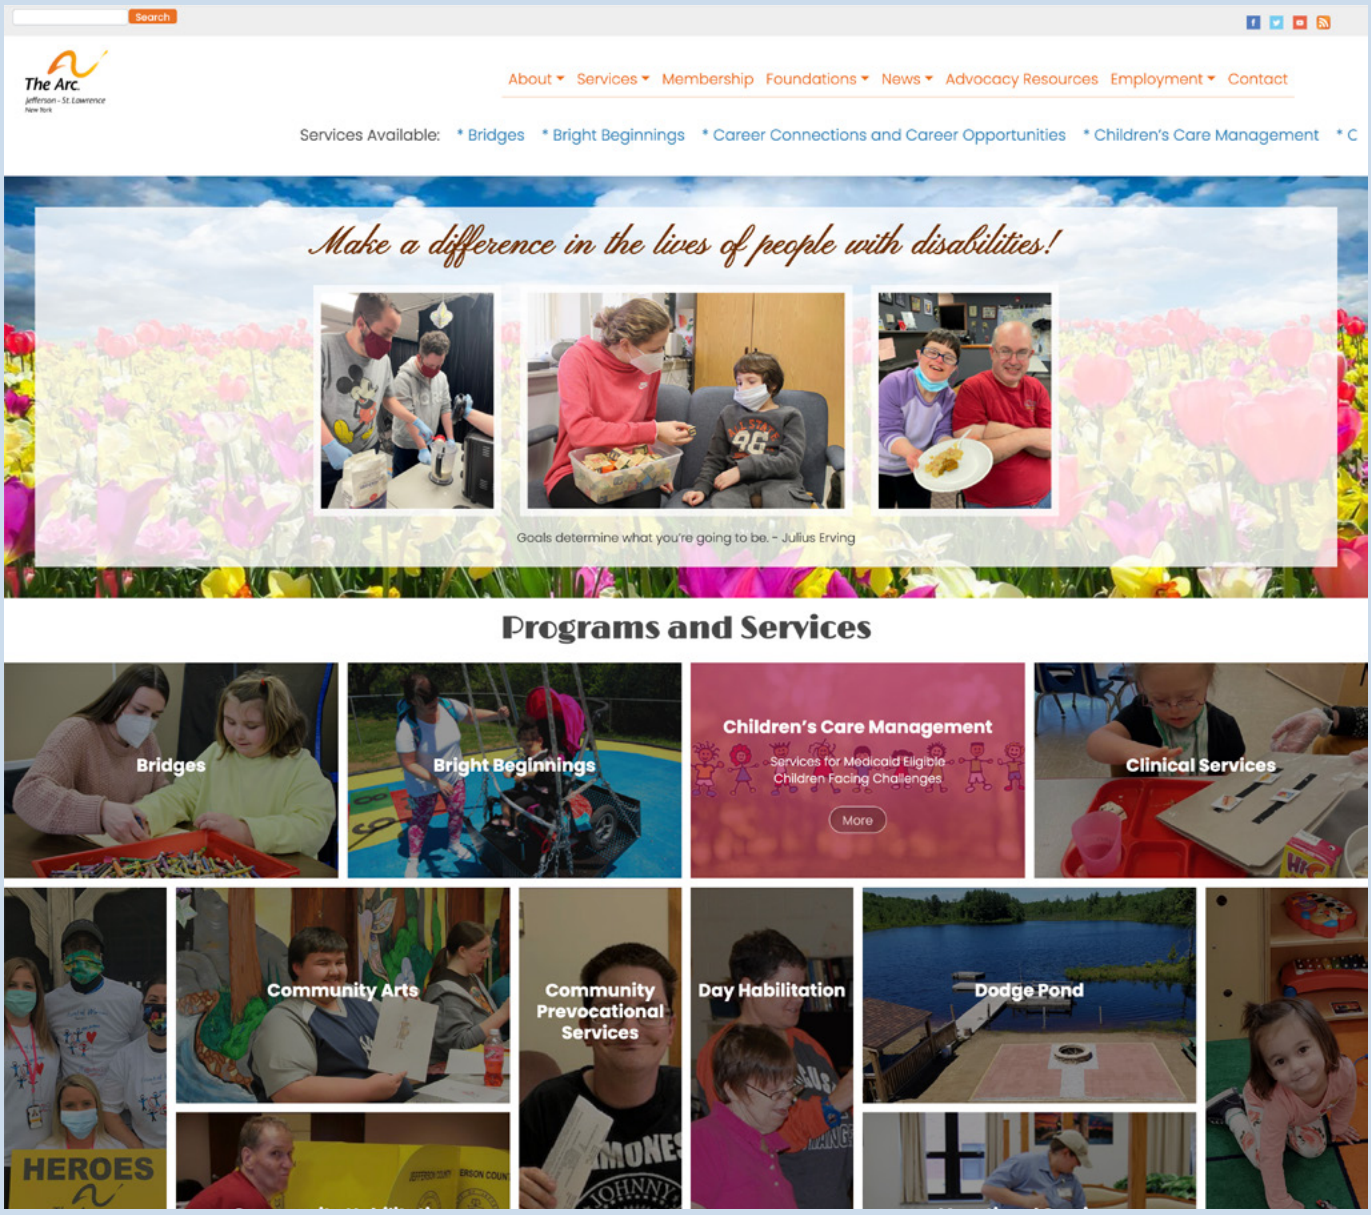

The website is for the Association of Independent Technological Universities. I built a WordPress custom theme using Bootstrap 4, PHP, HTML, and CSS. The slideshow was built in the custom theme. News feeds from all the university members.

CMS Website

Live link: *www.thearcjslc.org*

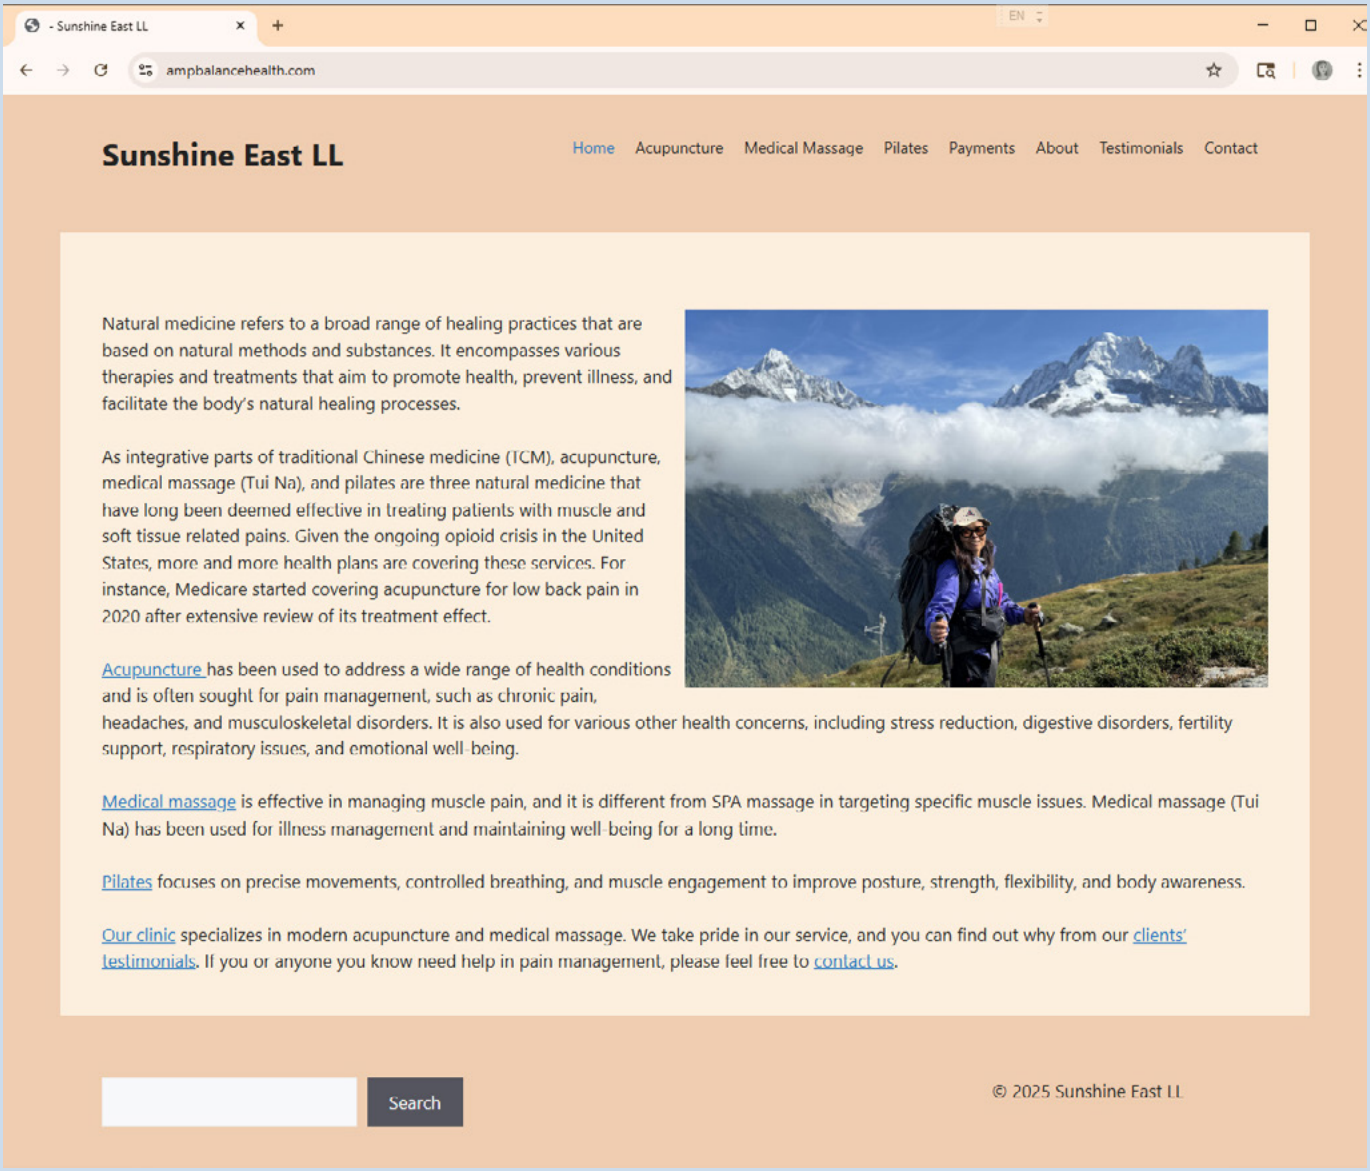

(The current administrator changed the front banner.)

The site was created and developed on Drupal 9 with a custom sub-theme of the Barrio Bootstrap 5 base theme, and updated to Drupal 10. More regions are added in the sub-theme to make the layouts more flexible. Lots of features: Responsive design, Google Analytics, Meta tags for improving SEO, drop-down main menu, full-screen wide slideshow, varied big front banners with fancy CSS styles, three columns or two columns promo blocks on the front, HTML Email Newsletters, calendar with different color for event catalogs, upcoming events, image gallery, spam-off contact form, voting web-forms, on-line flipbook, Facebook page plug-in, horizontal scroll bar, etc.

CMS Website

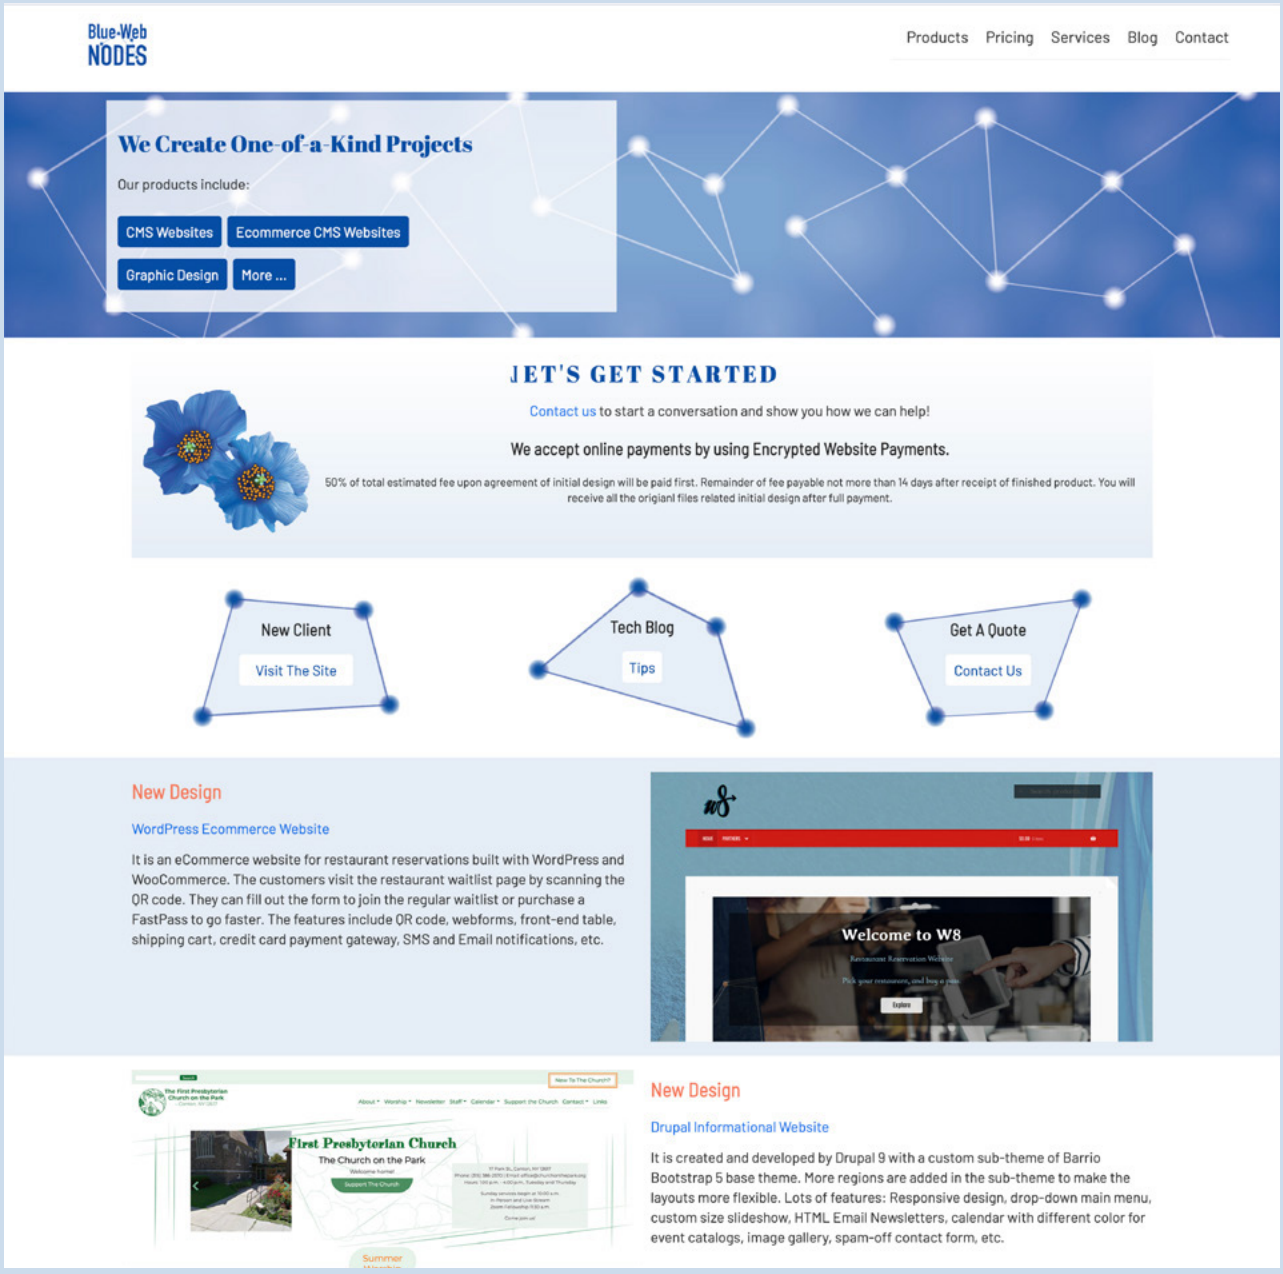

Live link: *www.ampbalancehealth.com*

A simple website for a small business at a low cost as the customer requested. Buite with WordPress, Bootstrap and CSS.

Static Website Coded by HTML, CSS, and JavaScript

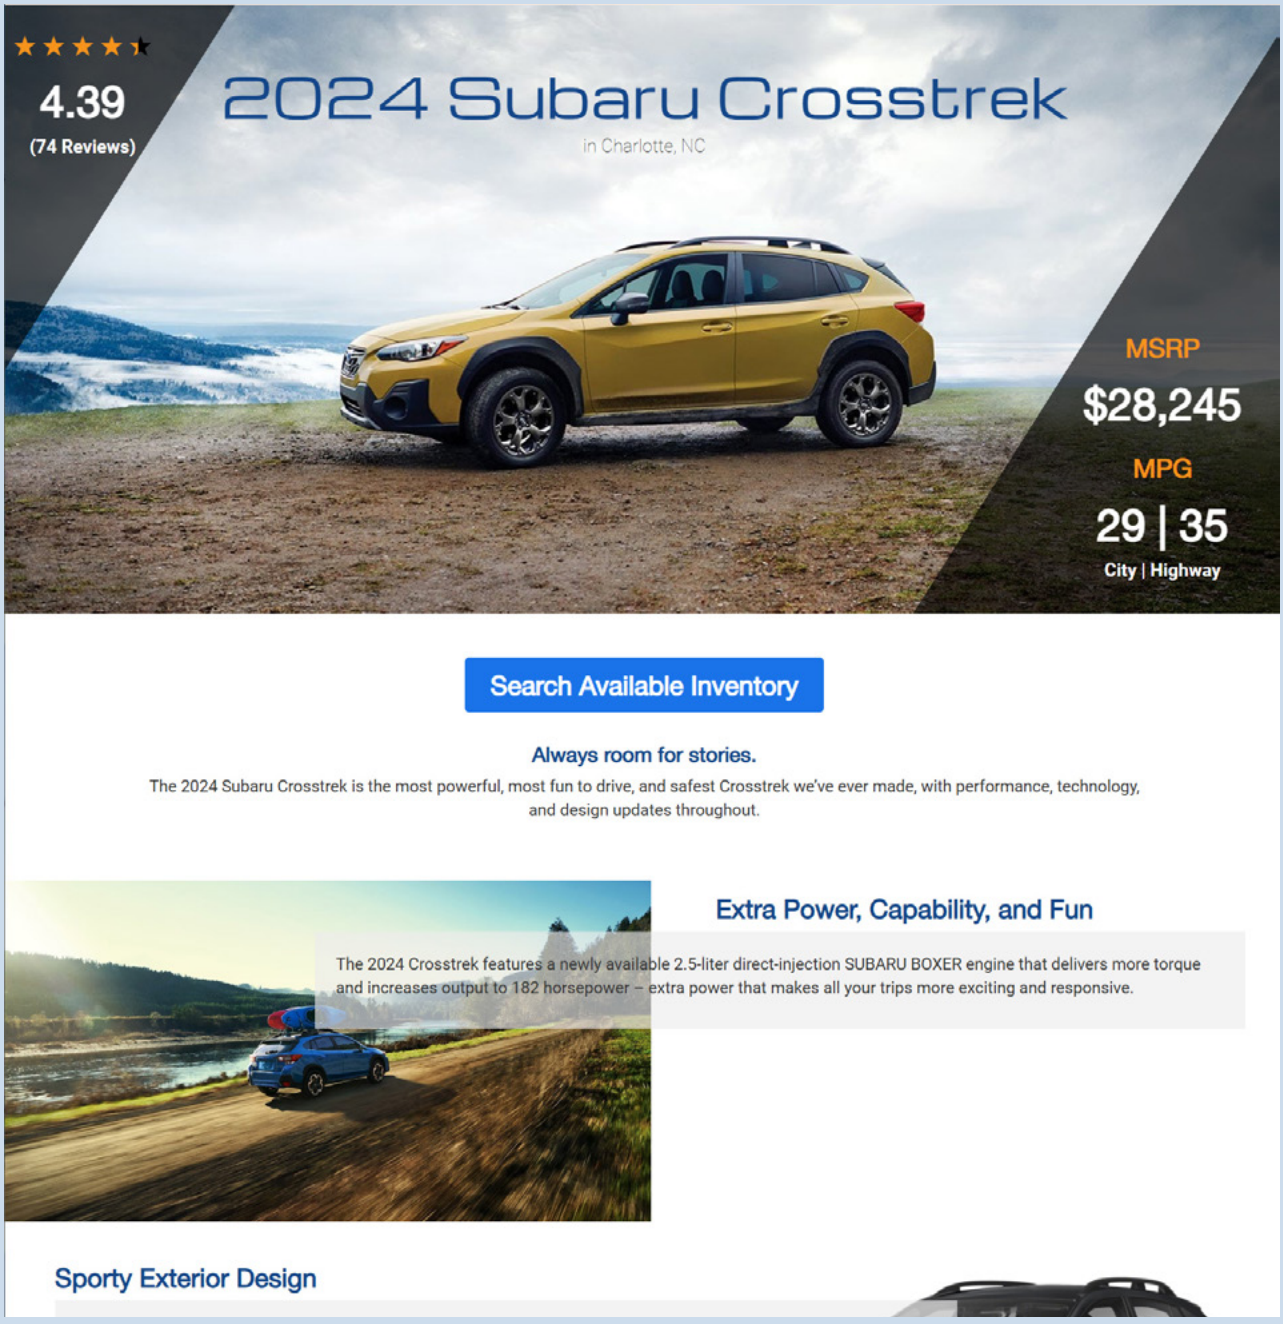

Live link: *www.bluewebnodes.com*

This site is not on any CMS but was coded at the back end. It was created with Jekyll and customized with HTML, CSS, and Javascript to a modern design. Webform with submissions submitted to a Google sheet. Blog with an automatic index menu and comments. Jekyll is a static site generator perfect for GitHub-hosted blogs. Enjoy free hosting on GitHub!

Static Webpage Coded by HTML, CSS, Bootstrap and JavaScript

Live link: *https://www.bluewebnodes.com/exercises/subaru*

This attractive, user-friendly page promotes the Subaru Crosstrek. It is for the web designer assessment at https://solutions.dealeron.com/design-contractor.html. It is not on any CMS but was coded by hand. It was created with HTML, CSS, the Bootstrap 3 framework, and Javascript within a limited time.

THE ARC JEFFERSON – ST. LAWRENCE HOLDS ANNUAL MEETING AND HONORS ACHIEVEMENTS

The Arc Jefferson - St. Lawrence

FOR IMMEDIATE RELEASE – The Arc Jefferson - St. Lawrence (www.thearcjslc.org), recently held their Annual Meeting to elect the officers for the Board of Directors, as well as honor staff members, volunteers, and individuals supported by the agency. The 2020-2021 elected officers for The Arc Jefferson – St. Lawrence Board of Directors are as follows: Jackie Sauter, President; Jennifer VanReenen; and Joanne Rhode Vice President, Secretary/Treasurer.

Staff members, people supported, and volunteers were recognized for their achievements during the past year. Heidi Stalker received the David Brassbridge Staff Member of the Year Award. Stalker is a Residential Manager with over 18 years of experience working in a variety of roles with the Residential Services Dept. She was recognized for her excellent organizational skills, reliability, and efforts to support people to achieve their goals.

The Arc Jefferson – St. Lawrence provides lifelong opportunities that enhance the lives of people, so that they may achieve their hopes and aspirations. Applications are now being accepted for a variety of positions, including Direct Support Professionals, Occupational trainers, and Food Service Workers. To learn more and apply now, visit www.thearcjslc.org or find us on Facebook.

CMS Website with E-Commerce

www.w8-time.com

(Offline for Now)

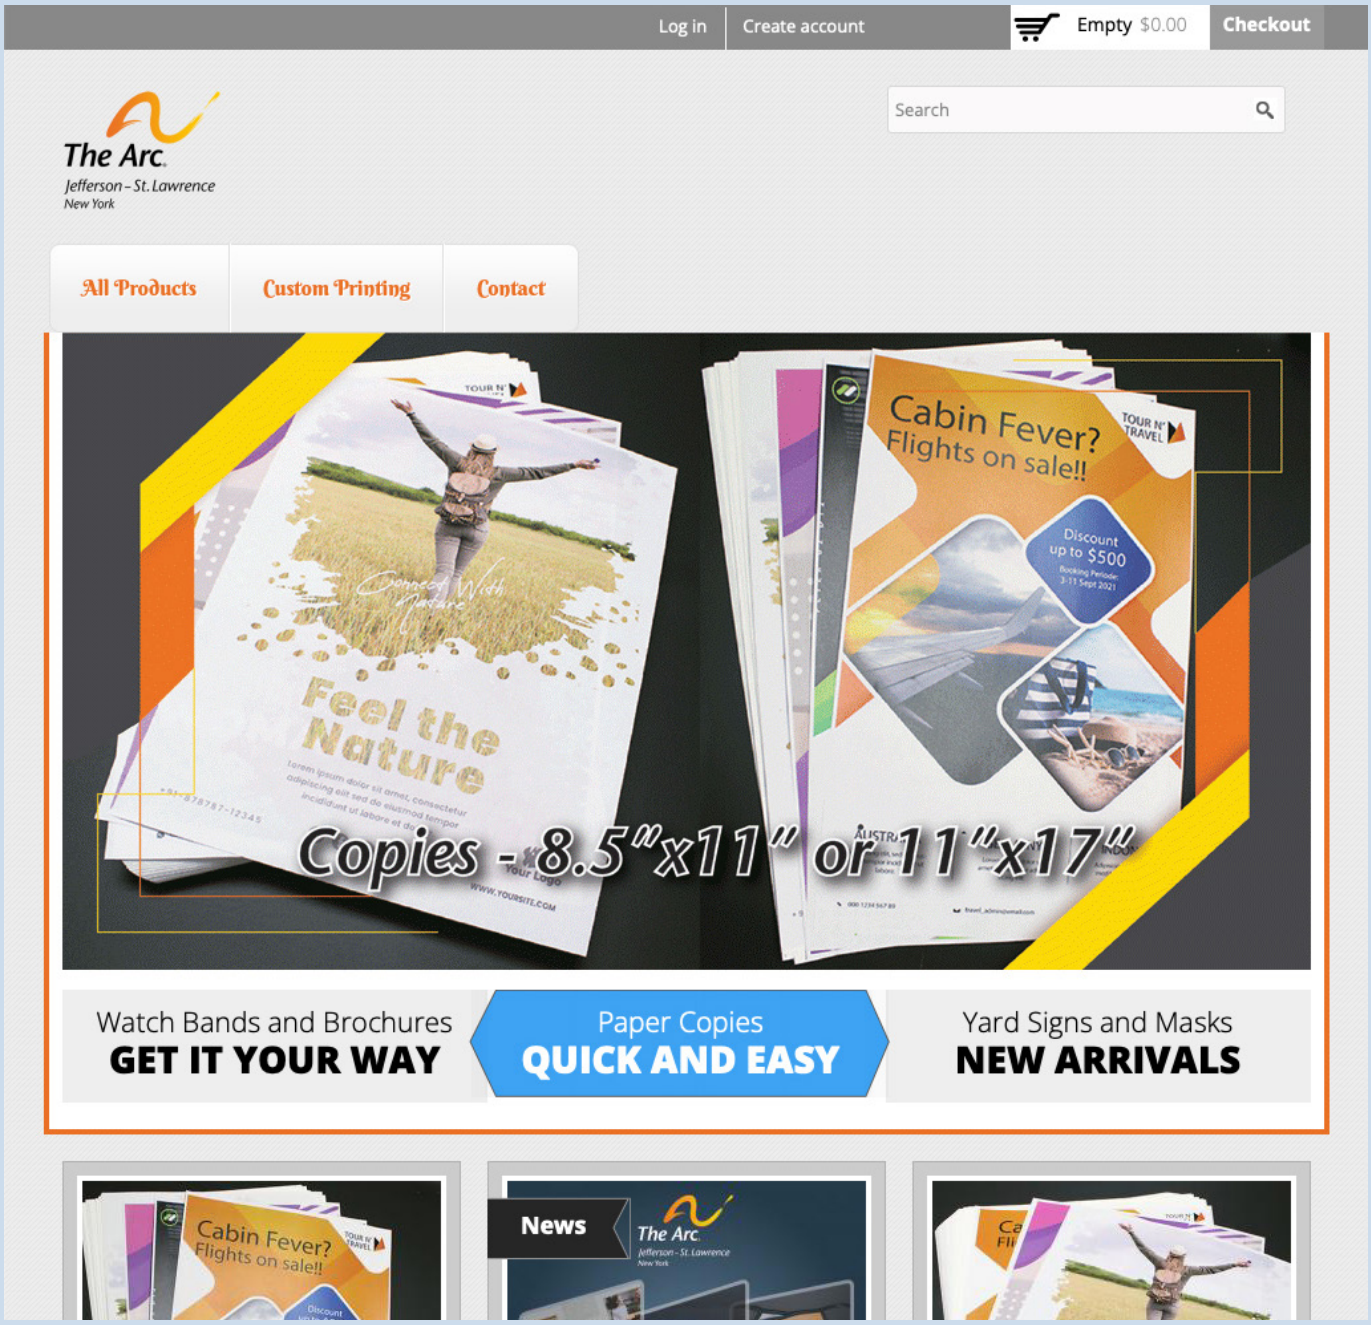

The W8 website is an eCommerce website for restaurant reservations built with WordPress and WooCommerce. The customers visit the restaurant waitlist page by scanning the QR code. They can fill out the form to join the regular waitlist or purchase a FastPass to go faster. The website can The features include QR code, webforms, front-end table, shipping cart, credit card payment gateway, SMS and email notifications, etc.

CMS Website with E-Commerce

www.shopthearcjslc.org

(Offline for Now)

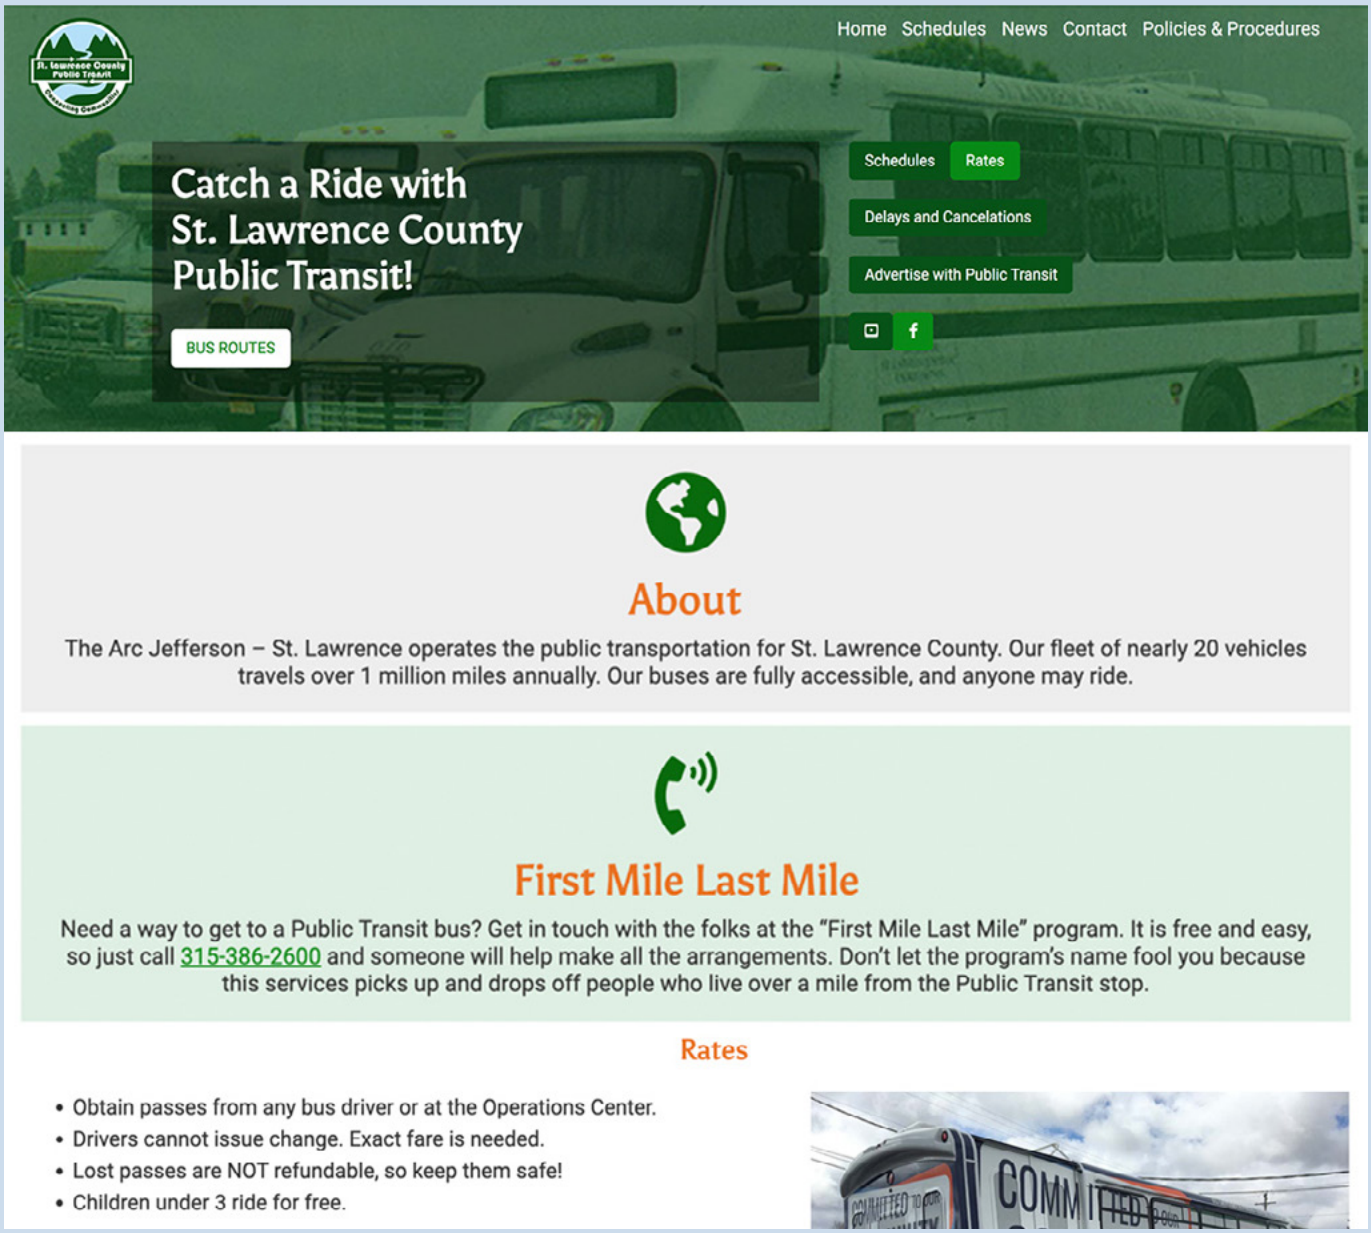

The custom Printing website was built with Drupal Commerce. I created the website www.shopthearcjslc.org all by myself, even the draft of policies. I learned to make an eCommerce site as a PCI Compliance for Credit Card Payment Security. More features are a full-featured online store system, a customer membership system, and an email notification system.

CMS Website

www.slcnypublictransit.com

(Offline for Now)

The site was builton Drupal 8 with a custom sub-theme of Barrio Bootstrap 4 base theme, and updated to Drupal 9. The company logo and main menu are on the big top background. Different web pages have different titles but the same secondary menu on the different background images. The features include responsive design, Google analytics, Meta tags for improving SEO, HTLM email newsletters, spam-off contact webform, Facebook page plug-in, Awesome Font icons, directly downloaded PDFs, etc.
